## Menu Viajes

The screenshot shows a window titled "Menu Viajes" with a standard Windows-style title bar (minimize, maximize, close buttons). The main area is a large, empty, light beige rectangle. At the bottom, there are two buttons: a yellow button labeled "Nuevo Viaje" and a white button labeled "Regresar".

## Nuevo Viaje

The screenshot shows a window titled "Nuevo Viaje" with a standard Windows-style title bar. The window is divided into two main sections. On the left, there is a form titled "-----Viaje-----" with the following fields and buttons:

- Origen:
- Destino:
- 
- Día:
- Mes:
- Año:
- Hora:
- Minuto:
- DPI Cliente:
- DPI Conductor:
- Placa Vehículo:
- 

On the right side of the window, there is a large, empty, light beige rectangle. At the bottom, there is a white button labeled "Regresar".

## Reportes

The screenshot shows a web application window with a title bar containing standard minimize, maximize, and close buttons. The main content area has a header with the word "Reportes" flanked by dashed lines. Below the header, there is a dropdown menu currently showing "Top 10 Viajes Mas Largos". Underneath this is another dropdown menu labeled "Encode". A button labeled "Encriptar / Desencriptar" is positioned below the "Encode" menu. A large, empty rectangular box occupies the center of the page. At the bottom, there are three buttons: "Ver Estructura Completa", "Ruta de Viaje", and "Ver Grafica de Bar...". A final button labeled "Regresar" is located at the very bottom of the interface.
